PROBLEMATIC SUBSTANCES

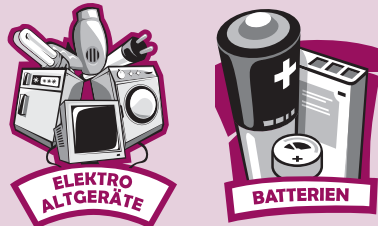

This is hazardous waste usually generated in a household. Examples are: engine oil, lubricants, paints, adhesives, poisons, solvents, gas cylinders, fire extinguishers, medicines, chemicals

Glow-discharge lamps and batteries

can also be dropped off at the collection site for problematic substances

Old cooking fats and oils

such as lard, oils from pickled or fried foods are not problematic substances. They should, however, be dropped off separately.

ELECTRICAL APPLIANCES BATTERIES

Large Electrical Appliances such as washing machines, dryers, electronic cookers, dish washers

Small Electrical Appliances such as coffee machines, mixers, cameras, DVD players, PCs and peripherals, mobile phones, CD players

Cooling units such as air conditioners, refrigerators, deep-freezers

Screens such as TVs, laptops, computer screens, monitors

Glow-discharge lamps such as energy-saving lamps, fluorescent tubes

Batteries such as appliance batteries, coin cells, rechargeable batteries

Drop-off free of charge
Retailer with sales area of more than 150 m², only on purchase of new equivalent device, batteries in all cases!

BULK REFUSE

is any waste which due to its size or weight cannot be collected in the residual waste container, such as: furniture, bicycles, carpets, mattresses, laundry racks, sinks

PLANT CUTTINGS

such as tree, hedge, shrub and grass cuttings
